Past returns do not guarantee future results. As with all indexes, CEMP Indexes are unmanaged and investors are not able to invest directly into any index. Index returns do not include any expenses. Strategies intended to hedge risk may be partly or wholly unsuccessful.

CEMP, a Victory Capital investment franchise, has weighted securities and asset classes based on their volatility since June 2003.

The CEMP Indexes are published by S&P Dow Jones Indices and are patent pending (Application No. 61/645,370). Index performance prior to the first publish date has been back-tested applying the same methodology based on fundamental criteria combined with volatility weightings that was in effect when the index was first published and is considered hypothetical.
