

**Victory Portfolios II (VictoryShares)  
Final  
2017 Capital Gain Distributions**

Throughout the course of the year, exchange traded funds realize gains and losses from selling securities held in their portfolios. Tax laws require that all exchange traded funds, regardless of performance, distribute these net gains to their shareholders before the end of the year. Net gains may be realized and distributed even if a fund's share price has declined. To receive the distribution, you must have been a registered shareholder of a fund on the record date. Distributions will be paid on pay date. We strongly urge shareholders to consult with their tax advisers regarding the tax consequences of these distributions.
